By the regulations of the Confederate States
by a special order from the Quartermaster General
office, a copy of which I enclose, the Quartermaster
of a Regiment is Paymaster of the same &
by & call your attention to the fact that as
Regimental Quartermaster. I am only allowed to draw
funds from the bank to act as Clerk; my own duties
are too numerous to allow me to make out the Pay
Rolls & the allowances of twenty-four cents a day for
extra duty, as not sufficient to ensure correctness
& the responsibility to myself & service on my bond
is too much to rest on the abilities of a man who only
receives 7 per cent compensation, when a small error
continued throughout the Pay Rolls may cost many
or service several thousand dollars.
I by & call your attention to the fact, especially
as the Regiment is on the eve of marching & must be
paid off before starting, whole & the present moment
no Pay Rolls have been made out, & the hurry of
finishing them will be doubly tedious to me
if I am allowed to engage a citizen as Clerk
instead of the matter alone at a fair remuneration.

it can be soon accomplished, otherwise the delay caused
by & need any attention to other duties / setting aside
my personal responsibility / may be inconvenient
& retard the march of your Regiment to the field
of action

Respectfully submitting the above remarks

Circumstances having occurred in the Regiment
to which I am attached under order dated Dec 11th
of an unpleasant nature to myself personally & as
I believe calculated to injure its efficiency I would

I cannot perform my duty to the Government with

According to the Regulations, and to Custom of Service in the old army, Regt or any. Art or Mus. are only entitled to be detached from the line of the army and placed on Extra duty for that purpose - the number allowed is regulated by the Commanding officer according to the exigencies of the Service. The Regulations of the Confederate States, does not specify the number of Clerks, or whether they shall be detached on Extra duty, or employed from Civil life but the Customs of Service as far as I have been able to ascertain, is that one Regt. or art. or Mus. with the rank of Capt is allowed to have Regimental, said officer to be appointed by the Provisional officer appointed in that manner is in my judgment entitled to a Chief Clerk to be employed from Civil life if the officer so prefers it, if however he selects a man from the line of the army as his Chief Clerk he can only pay him barely for Civil, for any in addition to his pay as Men Civil officer or private in the line -

Sir:

The undersigned very respectfully begs leave
 to report to the War Department, that it
 is with regret he finds himself unable
 to accept the appointment as Chaplain
 to the 1st Reg^{mt} So Cal Infantry &c.

A petition to the War Department was
 forwarded towards the end of May, ordered
 by Brig. Gen. S. H. Ingalls. In the
 month of August or beginning of September
 I was informed by the Hon. W. T. Swanwick,
 acting Chaplain of the 1st Reg^{mt} So Cal Infan^y,
 that my appointment had been to work
 with the Regiment, but that since W. T. Swanwick
 had been acting Chaplain since April last,
 and I was called upon to consider his
 claims upon the office.

I concluded not to enter a competition
and requested the Commander of the
Regiment to forward my non-acceptance
to the War Department.

A humble I have entered a new
engagement for one year with my
congregation at this place, and when
some days since the included appoint-
ment was sent to me, I could not
now but request the War Department
to allow me to return the same.

If after the expiration of my engage-
ment here, it can be permitted to do
so, I will again petition for a chap-
laincy in the Army of the Confederate
States.

I take this opportunity to express to the
Secretary of War the high esteem, in which
I am

Yours very obedt and humble servant
Wm. Augustus.

Dear Sir!

Having made application to the Hon. My original application, as the enclosed letters show, was endorsed by Brig. Genl. J. H. We holding his compliments
with regard to his taking charge
of Hospital & medical
reference to the Buildings &c.

Very Respectfully
yours
J. A. Linnice

He changed General Hospital, Buckham

with the return to take care. Will you be good as to
instruct me as to what is the determination of the Surgeon
General and yourself. There is a beautiful one a very
interesting country, and perhaps the nation can be
prevented of very profitable work. The nation can be
led much better than of Lynnhire.
There should be only
one in my commission, the nation should be
the nation of the nation and the nation.

9 November. August 10 1863

Surgeon Wm. F. Carrington
Medical Director

Sir

Complying with Order No 112, dated
1863, which I received on the evening of the 6th, I arrived in this
place on Saturday the 8th and I have this day taken charge
of the Hospital. Dr Owen informed me that I must send
copies of the Inventory of the property transferred by Dr Mayo
to the Surgeon General and yourself, which will be done by
the next mail.

I find but one building employed
as a Hospital, and allowing 800 cubic feet to each patient
such I have been informed is the regulation, it will
contain fifty three patients. There are two other houses for
which can be procured for \$750 a year, that will ^{hold} about 100
patients. If it is the intention of the Department to receive
large number of sick and wounded to this place it will
be necessary to erect suitable buildings. There is a place
about one mile from the town, with buildings suitable for
officer and servants residences, upon which a number
of buildings, similar to those built by Dr Owen at
Lynchburg, can be erected. The owner will remove from
it and grant a contract for it during the war for
\$2000 paid in advance. If the war should continue but
a short time this would prove to be a hard bargain,

Lynching Paper 15-1862

of Mrs W Williams

My Dear Sir

I have heretofore stated
 here that you were, and will be
 appointed to the Post of Medical
 Director of either the Army of your Gen
 or that of Gen Johnston. May, I
 remind you that last May you
 wrote to Mr & Mrs from Richmond,
 when it was proposed to send you
 to Gen Johnston, that I was to be
 appointed your successor in this
 Department. At that time I was
 indifferent about it, but at present,
 if you leave this for any other
 field of duty, I will be greatly
 obliged if you will be so kind
 as to have me ordered to take

your place. Last spring with the
Surgical Council and yourself, must
have had a card opinion of my
business qualifications, and I trust
you have not changed your views
on this point. At the College Hospital
I submitted to Dr. Allen, because
I found when I made suggestions,
he had his own notions, and
was resolved to keep the power
in his own hands. By good luck
I got along with him, without
any difficulty. If you have any
doubts to solve, be so good as to
let me know and I will freely
answer all inquiries. I have
heard it intimated that you do
not care about leaving this until
towards spring.

Yrs very sincerely

I beg you will not consider me unfortunate - & that you will pardon me again for calling your attention to the case of Mr. J. A. Dwyer - He is at this time - It has absolutely come to be with him a question of living or not - & unless he can get relief, necessity will compel him to leave me -

I could relate some of his sufferings & wants, which could not fail to excite the sympathy of any one - but I deem unnecessary - & only requisite that I should say that he fully deserves increased rank for his most valuable services - to say nothing of his absolute wants -

If he cannot be promoted, can you not authorize me to furnish him quarters &c.?

Or can any relief be sent him?

I appreciate what is said & do
most urgently request early attention
to the matter —

Yours of 25th had I received with
rest of the week so from you were obliged to the
young immediately on receipt thereof, as it is impossible
to have the answer you desire.

I was passing through some of them were drunk & I found one Rd. full about 50 Cops Run I run over 2 days afterwards, One run over 10 Whiskey Stags, & about 12 Cops Boys, One run over 8 Whiskey Stags, & about 8 Cops. Being then run as usual out of the way I tried to get John McLaughlin to come & see them tonight but he was not to be found.

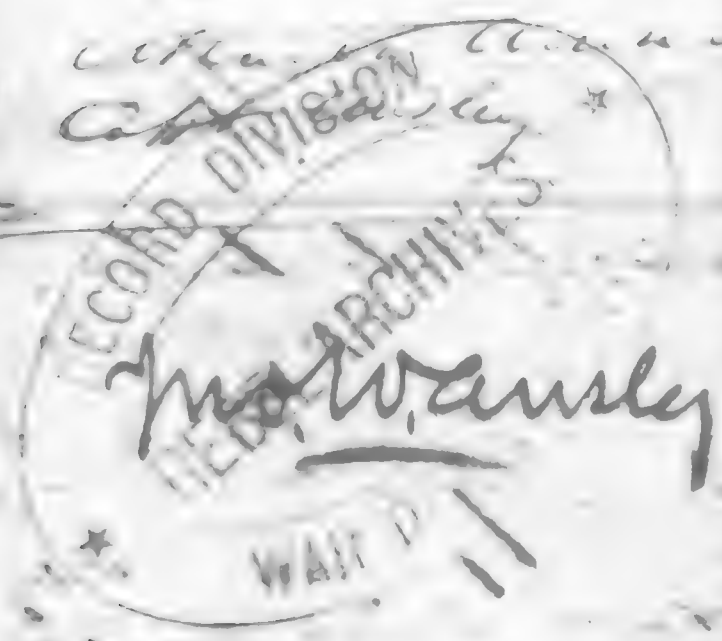

The Rose which fell short & came that ran over some
sprinkled Robinsons & Montgomery but I then did you know
in there.

Should suggest that you send a great number of letters, it for, grand, that there are perfectly honest of them having a "clean slate". It is a thing I have to, having had "suffer" several times.

If you have been kept out of the country,
I will find a way to get you out.

I like your card, am glad to be informed if I am
in error, I am equally so, to correct & make amends
for same.
I have corrected your Sept last sent, as desired by you.
It corresponds with Original sent.
As to the dist. that now exists between the Capital
if the 9000 is correct, it is not of sufficient importance to
quibble over, & the matter is explained thus - The 1000 was
cal by the Buckshot being larger than ordinary this was
all due to the Capt. to Chamber & hence those that they were
put up in 1890 - not withstanding they had been taken by
the 1000 & I think find this to be the case if you
are there to the test

Dear Sir

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the matter of the ship "Wanda" which I had ordered to Capt. Thompson, but by some misunderstanding on the part of my shipping clerk sent to your address. You will please sign, etc., & return me the receipt.

The three men mentioned above have been in the office of a previous owner to you & which you have made off your receipt of 25th Jan. 1851. You please to your letter of the 11th inst. in relation to the matter of Capt. Thompson.

Col M. Wright
Dear Sir

August 20th 1864

I telegraphed you this "Am" "Shall"
men reporting to Col. Rains for temporary duty report to you
"Only two men regularly transferred"

My object in so doing was that Col. R. & Maj. McK.
both expressed doubt as to whether your order
to me was intended to apply to these men on
temporary duty with Col. R. Only two viz. Grater
having been regularly transferred to him. By advice of
Col. R. I sent you the Dispatch.

I have not turned over Mr. Lytton or Mr. Walker
both of whom Maj. McK. thought were not included
under your order, & upon which I shall ^{await} your
orders - Mr. Lytton you know is here under orders
from Col. Cuyler to take tools &c. to Macon -
There are no Machinists here except those now
with Col. Rains - I have therefore ordered, to report
to him only seven men ~~all hands~~, including Peter,
one of whom Mr. J. Freelandy is, now absent without
leave, supposed to be in Corington, but he thinks will
return Monday. Please advise me in regard to
the above if not already done by Col. Rains this a.m.

I am glad to report all well at your home
& John's Baby much improved
Will be able I think to adjust my Proctery in
a few days.

Please don't forget to advise me as soon as you hear
from Richmond.

God. A. R. Wright is in Com^d here now
